

Program Validation Form (PVF)

Welcome to Global Current’s J-1 Exchange Visitor Program. Congratulations on securing a position and embarking on this life-changing opportunity through Global Current, the world’s largest student-based organization. We are happy that you’re joining our family.

SEVIS – The Student and Exchange Visitor Information System (SEVIS) was implemented on January 30, 2003 and is used to track all student and exchange visitors to the United States.

- In order to remain in good standing with SEVIS, you must inform Global Current of your physical residential address within 10 days of your arrival to the United States.
- You will only be permitted to apply for a Social Security number after submitting all necessary information to Global Current and receiving notification that your Program Validation has been completed.
- If you fail to return your PVF in a timely matter, SEVIS will automatically notify US Citizenship and Immigration Services that you are out of status, which results in your program and visa termination.
- If you move at any time during your program, you must submit a new PVF to Global Current within 10 days of your move so that we can update SEVIS. Additionally, you must also complete Form AR-11, which is the Alien’s Change of Address Card. This form can be completed online at: <https://egov.uscis.gov/crisgwi/go?action=coa>

INSTRUCTIONS:

Please send this completed form and copies of the documents listed below to Global Current by fax, 212-757-4062, or via email, J1forms@aiesecus.org, within 10 days of your arrival to the United States.

2. Photocopy of the front of your I-94 card

*If you are travelling with J-2 dependents, you must also include copies of the above documents for each dependent.
